

Hosting a Port Orchard Green Drinks

Thank you for considering hosting a Port Orchard Green Drinks. The Green Drinks program was designed to celebrate environmental sustainability. We have molded the concept into our own networking event with local businesses and anybody who is environmentally friendly. Participants are encouraged to bring their own glasses.

Hosting a Green Drinks event can be a lot of fun and a great way to meet new people. Each Green Drinks is conducted a little differently throughout the County.

The hosts for Port Orchard Green Drinks are expected to:

- Provide a location that will comfortably handle 40 to 50 people
- Provide hor d'oeuvres for those attending. It is not a meal, but a snack.
- Provide beverages for those attending. Drinks typically include wine and a non-alcoholic option. We have had some host offer beer and cider also.

During the event, you will be given the opportunity to introduce yourself and your business. We encourage door prizes and usually ask those attending to bring something if they wish. Door prizes are not required.

The South Kitsap Chamber of Commerce and the Port Orchard Bay Street Association will promote the event on social media, our website, and newsletters. We encourage the host and all their friends to share and promote it also.

The Chamber will also set up the ticket sales online and usually support the admissions at the door. Tickets are pre-sold online for \$10, and at the door for \$15.

The host will be reimbursed 75% of the money collected for admissions. Any expenses incurred are the responsibility of the host. We try to provide a headcount prior to the event, but Port Orchard is notorious for not preregistering for events.

There are no additional permits required for this event. It is a private ticketed event.

To sign up as a host complete the application on the next page and send it to the Chamber.
